Dear Dr. Maughs:

There is humor in everything; even in your letter of April 28, 1967.

Numismatics has always been known as a science and having devoted my hobby life to it, you now want me to be a nonscientific speaker. At least you have provided me with a joke for the talk. Its like the old cliche ..... everybody goes around calling everybody else a layman.

It is, however, most complimentary for your organization to ask me to speak and I will arrange to do so. I just don't happen to have a lunch date on October 20, 1967.

There is no fee for my program but in case you wish to make a charitable contribution to this organization it would be appreciated.

I will go over with you a choice of subjects, such as:

Phallic Symbols on Coins.

Schizophrenia of Heads and Tails.

Psychosis of Hoarding.

The Money Dementia.

Hypertension among Gold Diggers.

Kindest regards.

Sincerely yours,

Dear Mr. Newman:

Thank you very much for your letter of May 8, 1967 accepting my invitation to speak before the Central Neuropsychiatric Association on October 20th. I am delighted that we are going to have the opportunity of hearing you, and I will look forward with pleasure to meeting you. I am glad that my letter provided you with a good joke.

I would like to know how you would like to have yourself classified and what your subject will be, as the programs have to go to the printers some time after the first of June. You mention a number of very fascinating titles in your letter, but I will leave the choice of title up to you.

May I hear from you about this matter?

Again many thanks for agreeing to being with us.

Sincerely yours,

Sydney B. Maughs

Dear Dr. Maughs:

I suggest that my topic be "Money of Early America".

I will give an illustrated talk if that is convenient for you.

The balance of the details we can straighten out as the time approaches.

Sincerely yours,

Dear Mr. Newman:

The committee on arrangements for the Central Neuropsychiatric Association meeting has asked me to extend an invitation to you and your wife to the Early Bird Party on October 19, at 6:30 P.M. on the promenade of the Mansion House. The local hosts for this meeting annually give such a party for the out of town guests. Cocktails and a buffet supper will be served.

Mrs. Maughs and I would be most pleased to have you and Mrs. Newman go with us.

Sincerely yours,

Dear Dr. Waughs:

You are very nice to invite my wife and me to the cocktail supper at the Mansion House on October 19. As I indicated, we would be glad to come if we are not out of place.

Since my office is across the street from the Mansion House, it might be well if you call for my wife and bring her down. She could then go home with me. Our home is at 6450 Cecil Avenue, two blocks west of Skinker and one block north of Wydown. She will be ready at 6 o'clock.

Thank you for your kindness.
